

# Holiday Chess Courses

The Holiday Chess Courses are open to anybody aged 6 to 15 years of any ability, from beginners through to advanced players. We limit the number in a group to around 12 applicants. If we have enough applicants, we will have more than one group and coach. If there are two groups, applicants will be split by age, ability or experience with one group for the younger or less experienced players and an advanced group.

**Dates: All from Tuesday to Thursday.**

**Half Term: 29, 30, 31 October 2019**

**Half Term: 18, 19, 20 February 2020**

**Easter Holiday: 7, 8, 9 April 2020**

**Half Term: 26, 27, 28 May 2020**

**Summer Holiday: 28, 29, 30 July 2020**

One does not need to attend all three days, one or two days in any combination is acceptable. However, there will be a tournament run during the course with match games played each day and scores accruing through to the final day when prizes for 1st 2nd, 3rd and possibly further runners-up (for each group if there are more than one) will be awarded at the end of the final day. Therefore, it is more difficult to win a prize if one does not attend all three days, but not impossible as it has been done in the past.
